The Ultimate Heart-Connection In a World Full of Rejection Back in 1981, the real life story of a Commoner in the United Kingdom rose to global notoriety from the announcement of her engagement to royalty. This young lady born into an old, aristocratic English family exchanged her former identity for royal connections. . . only to get rejected. Who am I speaking of Lady Diana, Princess of Wales. This popular international media icon of the late 20th century captured my attention along with a global audience of over 750 million people on her wedding day. I was captivated by her story as an example of an exchanged identity. However, since then, I discovered there is a greater exchange offered by the Life Exchanger to every common person for the highest status of royalty in the Heavenly Kingdom. Welcome to a common story with a royal ending. This compelling allegory will walk you through some powerful and significant principles illustrating how to live the abundant, victorious, royal life. Understanding who you are will take you to a deeper place you may not have ever discovered. Take a dive plunging heart first into the deep end of the freedom pool. There, you will learn how Life Exchanger lives through you the good work He began in you. Brian E. Irwin is the author of Connected Hearts and has been in pastoral-care ministry for over 20 years.
