

How Wars End: Why We Always Fight the Last Battle

Filesize: 32.85 KB

Reviews

Completely essential go through ebook. It can be written in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Jessy Collier)

HOW WARS END: WHY WE ALWAYS FIGHT THE LAST BATTLE

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. In 1991, the United States Army trounced the Iraqi army in battle, only to stumble blindly into postwar turmoil. Then, in 2003, the United States did it again. How could this happen? How could the strongest power in modern history fight two wars against the same opponent in just over a decade, win lightning victories both times, and yet still be woefully unprepared for the aftermath? Because Americans always forget the political aspects of war. Time and again, argues Gideon Rose in this penetrating look at American wars over the last century, our leaders have focused more on beating up the enemy than on creating a stable postwar environment. What happened in Iraq was only the most prominent example of this phenomenon, not an exception to the rule. Woodrow Wilson fought a war to make the world safe for democracy but never asked himself what democracy actually meant and then dithered as Germany slipped into chaos. Franklin Roosevelt resolved not to repeat Wilson's mistakes but never considered what would happen to his own elaborate postwar arrangements should America's wartime marriage of convenience with Stalin break up after the shooting stopped. The Truman administration casually established voluntary prisoner repatriation as a key American war aim in Korea without exploring whether it would block an armistice which it did for almost a year and a half. The Kennedy and Johnson administrations dug themselves deeper and deeper into Vietnam without any plans for how to get out. Drawing on vast research, including extensive interviews with participants in recent wars, Rose re-creates the choices that presidents and their advisers have confronted during the final stages of each major conflict from World...
