By James Brown Scott

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Declaration of London February 26, 1909: A Collection of Official Papers and Documents Relating to the International Naval Conference Held in London December, 1908 February, 1909 There are several causes tending to make the Declaration of London the object of vital interest to students of international relations and international law. The possibility of achieving the establishment of an international court of appeal in prize matters, an achievement which would be of substantial effect in the field of maritime law itself and which would, moreover, provide an international institution of more direct and concrete action than almost all other such institutions hitherto established, depends upon the success with which the nations agree upon the code to be applied in such a court. The equitable solution of that problem, which, because of the strategic importance of the seas in the life of the nations, lies at the heart of the effort for a fruitful international reorganization, the problem of the freedom of the seas, depends in its most acute phases, upon the proper writing of the...

Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.
