Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

Its operators claim to play upon the spine and accessories as a skilled musician on his piano, producing harmony in place of discord. It is closely allied to osteopathy, although its practitioners strenuously deny this, claiming it to be far superior to osteopathy. I have seen some instances where it has done marked good, but as a rule a good osteopath can duplicate all that can actually be accomplished by it. Its mode of application consists of what is called adjustment by the Bohemian thrust or Napravit. Its practice amounts to the same as osteopathy. They use the limbs as levers--manipulate muscles and overcome tension and right subluxations as do the osteopaths. There is no more reason for the existence of chiropractic and osteopathy as distinct methods of treatment than an Episcopal Methodist and a Free Methodist in religious sects. Electricity. The tide of electricity has flowed and ebbed and flowed again. It is now at the flood. Its principle is catalysis--that property of electrification which causes increased absorption and nutrition of the part treated, or the whole body through its effect on the vaso-motor and sympathetic nervous systems. It is reflex and physiological. Bearing this in mind, we determine the uses of the various currents, according to the part or condition to be treated. If we want absorption of neoplasms, growths, hypertrophies we must study their nature and the action of the current required. The continuous or...
