From design flaws to cover-ups when deadly accidents occur, the squeaky-clean image of theme parks is plagued with circumstances park officials and ride manufacturers prefer the general public not be informed of. Theme Park Safety Failure\$ sheds a glaring beacon of light on issues and incidents that riders and attendees should be made fully aware of--that their lives are at an even greater risk than ever before. The operating staff members are in most cases minors, while some facilities often utilize volunteers of non-profit organizations to man the ride platforms. This is the ride that will make you pray. Step right up!.
