Brand New Book ***** Print on Demand *****.Practice your reading skills and your counting skills at the same time and have some fun while you are doing it! Have you ever counted flies? Well, if not then this is your opportunity to count some very funny flies with big green eyes. Everything in nature has its purpose, and award winning author, attorney and former teacher is using her flies in very funny way. See if you can guess what comes next in the rhyme and build your reading vocabulary by guessing what words come next in the rhyme, and by noticing as certain words repeat themselves, because repetition of things is another good way to learn. Look for the song and video that goes with this book on YouTube on the Bellissima video channel, Bellissimavideo, just to have a little more fun. Count and read numbers and numerals as you hunt for them on these pages. See all the wonderful kids books written by Penelope Dyan that can teach you things and help you learn all while having...

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
