Reviews

The ideal pdf i at any time read. I am quite late in start reading this one, but better then never. You will like the way the author create this book.

(Eliane Bednar)

THE EDGE OF ISLAM: POWER, PERSONHOOD, AND ETHNORELIGIOUS BOUNDARIES ON THE KENYA COAST

[DOWNLOAD](#)

Duke University Press. Paperback. Book Condition: new. BRAND NEW, The Edge of Islam: Power, Personhood, and Ethnoreligious Boundaries on the Kenya Coast, Janet McIntosh, In this theoretically rich exploration of ethnic and religious tensions, Janet McIntosh demonstrates how the relationship between two ethnic groups in the bustling Kenyan town of Malindi is reflected in and shaped by the different ways the two groups relate to Islam. While Swahili and Giriama peoples are historically interdependent, today Giriama find themselves literally and metaphorically on the margins, peering in at a Swahili life of greater social and economic privilege. Giriama are frustrated to find their ethnic identity disparaged and their versions of Islam sometimes rejected by Swahili. "The Edge of Islam" encompasses themes as wide-ranging as spirit possession, divination, healing rituals, madness, symbolic pollution, ideologies of money, linguistic code-switching, and syncretism and its alternatives. McIntosh shows how both the differing versions of Islam practiced by Swahili and Giriama and their differing understandings of personhood have figured in the growing divisions between the two groups. Her ethnographic analysis helps to explain why Giriama view Islam, a supposedly universal religion, as belonging more deeply to certain ethnic groups than to others; why Giriama use Islam in their rituals despite the fact that so many do not consider the religion their own; and how Giriama appropriations of Islam subtly reinforce a distance between the religion and themselves. "The Edge of Islam" advances understanding of ethnic essentialism, religious plurality, spirit possession, local understandings of personhood, and the many meanings of 'Islam' across cultures.
