Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

(Graciela Emard)

LITTLE DISCOVERIES: COLORS

Abbeville. 1 Board Book(s), 2009. soft. Book Condition: New. Taking us for a visit to young Nate's art activity class, this book not only introduces basic colors, it also shows how paints like blue and yellow blend to make green, how shades of the same color can be lighter or darker, and how color fades from the world at night. Help Nate choose or mix colors by lifting flaps and pulling tabs; then, turn a wheel to have fun changing his hair and eye colors. This interactive padded board book for prereaders offers plenty of visual surprises in a half-dozen two-page scenes. 12.
