Excerpt: . . . 11 I want to first of all mention the five pillars that I have heard you talk about that will make rural America stronger. One is trade. Two is rural broadband access. Three is renewable energy. Four is conservation, and five is research. I do not disagree with any of those as being critically important to the world of agriculture. But ensuring that new farmers find a way to be a part of the 21st Cen-tury of agriculture is listed as a concern , and we just talked for a minute about that. Where do production agriculture and commodity and risk man-agement programs fit into that picture of those five pillars Secretary V. Senator, when we talk about the five pillars, ILSACK we talk about the first pillar being improving incomes for farmers, and that involves a variety of issues. One is trade, obviously, ex-panding export markets. This year, we are fortunate. We are on...
