Fort Rules: A Guide to Getting Along provides a set of guiding principles for all of life's relationships. A gang of kids built a fort and, in the process, identified a few basic rules necessary to establish order from chaos. The rules were discovered in the children's secret Fort Book. Hollen applies these rules to real-life adult scenarios and explains why these simple guiding principles can be difficult to implement. Ten simple rules guaranteed to ensure the success of your team! Fort Rules is a succinct, powerful and warm interpretation of the clarity of vision set down by Richards' children and their friends. This is not just another cute, childish business fable. Hollen instills his incredible experience and creates a practical guide to interpersonal relationships in business and real life that you can put into practice immediately. We could all profit by making the Fort Rules part of our next business plan or HR policy! -Jim Bouchard, America's Black Belt Powerator; Speaker, Coach and Author of Dynamic Components of Personal POWER!
