Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt: . . . as many as two hundred deer have been killed in these and the adjacent woods of Sandwich during a single year, and not a season passes that sportsmen or sojourners do not see specimens of this noble game in these locations. Bkirting the lakes and ponds and winding over and among the hills, innumerable roads thread, well-defined and hardened by the usage of nearly three centuries, and affording the most beautiful drive-ways imaginable. Delightful ocean views are obtained from the summits of hill-tops extending for miles inland, and outlooks over fair sections of hill and dale, with water-bits shimmering and glistening in the picture, so beautiful that sometimes the original Indian occupants of the land bestowed their most musically descriptive names to designate the sections or localities. Springs of purest water abound and bubble over on every side, often proving the sources of the finest ponds. Many of these sheets of water are embosomed in wild forests, in which the red deer, the eagle and the wood-duck still find a resting place. ONSET. Onset Bay Grove is situated in the extreme southeast portion of Massachusetts, on the Hue of the Cape Cod Division of the N. Y. , N. H. and H. R. It. , at the head of the beautiful old Buzzards Bay, Its exquisite little land-locked harbor, its heavily wooded bluffs overlooking the sea, its unequalled facilities for boating, bathing and fishing, its lovely shore drives among the cottages of many of...
