Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mr. Stone Kunze)

CROWLEY (PAPERBACK)

Mandrake of Oxford, United Kingdom, 2015. Paperback. Book Condition: New. 175 x 130 mm. Language: English . Brand New Book. Do what thou wilt shall be the whole of the Law. Nearly seventy years after his death Aleister Crowley, the notorious Beast 666, is only just beginning to attract serious academic attention. Even so we would not expect to find him on any mainstream university courses; he is still too much associated with occultism. So, Crowley A Beginners Guide is not your standard beginner s guide. Let my servants be few secret: they shall rule the many the known. Readers may be surprised at the richness and complexity of his thought, as well as the extent of his influence. He needs background to be understood. Giving this opens fresh perspectives on much recent intellectual history. Crowley A Beginners Guide presents his main ideas in a straightforward and accessible format, with drawings and diagrams to place them in their historical context. It relates him to contemporary movements in art and scholarship. It describes his relationship to modernism and postmodernism, and his role in the counterculture of the sixties, as well as his continuing influence today. Interspersed are entertaining stories of his life and reputation. Brilliantly illustrated by John Higgins, Crowley A Beginners Guide, is a highly accessible guide to this fascinating, complex and controversial figure. It neither promotes nor condemns him, presenting hostile as well as favourable views of his character and achievement. John S Moore is a freelance writer and independent scholar living in London. He is the author of Aleister Crowley: A Modern Master (Mandrake of Oxford, 2009) and Nietzsche An Interpretation, (AuthorsOnline Ltd, 2011) and has written on Schopenhauer, Wittgenstein and Edward Bulwer-Lytton among others. More information at John Patrick Higgins is a writer and illustrator. He is...
