Put them all together in an antiquated library and, well. Professor Jack Wood's silver-streaked hair definitely ages him, and he can thank Killer Dawn for that. He won't be falling into the love trap again anytime real soon. But this new librarian has him curious, with her head-to-toe black Goth garb, piercings, and a defiant attitude to match. Definitely not his type of girl, but still. Abigail Stryker's got her work cut out for her. The last two librarians didn't last a month before airborne books chased them off. But Abby's determined to make her new life a go-and to stay as far away from older men as possible. Once was enough. Might be tough to do when the library's best patron is none other than dreamy-eyed Jack Wood. And it seems the eccentric ghost may have taken a shine to her as well.
