### ***Reviews***

*The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.*

## SEDUCTIVE SUBVERSION: WOMEN POP ARTISTS 1958-1968

Abbeville Press, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Pop Art was one of the most important artistic movements of the late twentieth century. Its adaptation of mediated, popular-culture imagery continues to influence artists, but until now, little attention has been paid to the important contributions that women made to the movement. Pop Art by women dealt less with direct consumerist critiques, instead subversively combating the stereotypical perceptions of women via advertising and film clichés. Work by women Pop artists ranges from Rosalyn Drexler's surreal film-noir riffs, Idelle Weber's New Realism office workers, and Niki de Saint Phalle's exuberant Nanas to the more controversial and blatantly political statements of Faith Ringgold and Martha Rosler. Pauline Boty and Axell explored female desire, while the innovative soft structures stitched by Yayoi Kusama, Jann Haworth, Patty Mucha, and others form an important contribution to the history of sculpture. *Seductive Subversion: Women Pop Artists 1958* is the catalogue of the first exhibition to expand Pop Art's narrow critical definition to reflect the significant role of these women artists. The culmination of six years of research by Sid Sachs, this exhibition, organized by the Rosenwald-Wolf Gallery of the University of the Arts, Philadelphia, is touring nationally. The essays in this catalogue span from London's Independent Group in the early 1950s to the end of classic Pop in 1968. Written by the art historians Linda Nochlin, Sid Sachs, Kalliopi Minioudaki, Bradford R. Collins, Annika hrner, and Sue Tate and the artists Martha Rosler and Patty Mucha, these texts will be revelations and will remain a vital reference for artists, art and cultural historians, and feminists alike. Artworks by more than twenty artists are reproduced, including Pauline Boty, Chryssa, Rosalyn Drexler, Jann Haworth, Yayoi Kusama, and Marisol, as well...
