This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

I love children, I said, but I would not think of inflicting myself upon them, --I am not cheerful enough. Cheerful! they exclaimed, why, everybody is cheerful here, --no time for anything else! Suppose you try it! I really couldn t think...
