Kensington Publishing. Paperback. Book Condition: new. BRAND NEW, Highland Hearts, Hannah Howell, Contessa Tess Delgado suspects her Scottish uncle of supporting those who would overthrow King James II. But it is not until she frees Sir Revan Halyard from her guardian's dungeon that she realises the extent of the plot - and the deadly lengths to which he'll go to silence her and claim her considerable inheritance. When Revan abducts Tess in the course of his escape, she becomes his wary ally as well as his captive. Although Tess is loath to trust and resistant to the desire he stirs in her soul, she cannot deny the destiny they share. Now, as they race against the traitors who seek to destroy them and betray the throne, Tess and Revan will risk everything for love of King, country - and one another.
