Brand New Book ***** Print on Demand *****.Presented in two volumes, The Single Source Cancer Course by S. Wilking Horan is a personal handbook that contains the essential information necessary to guide one from cancer prevention to cancer survival and beyond. Written by a three-time cancer survivor with a background in law and psychology, it s designed to be informative without being overwhelming and comprehensive without being cumbersome. It is not only a compilation of cancer basics, but also a roadmap through all the related issues for those wishing to protect themselves from cancer and for those fighting cancer. Here the most common treatments of surgery, chemotherapy and radiation are discussed in detail, as well as alternative and emerging treatments. The ins-and-outs of navigating the medical community and protecting oneself throughout treatment are explained. Pain management, patient privacy rights as well as insurance, billing and financial issues are explored. And, the emotional, physical and legal issues that rise in society, the workplace and the...
