What would your attitude or personality be like? How about the depth of your humor, the level of your faith, or your compassion for others? Meet the lovely Miss Amy Brooks. Amy was born with an extremely rare condition called Tetraphocomelia-having no arms or legs. She was then left abandoned at the hospital by her birth parents where the staff was asked if they could put her in a room and not feed her. In her inspiring, humorous, and uplifting autobiography, Amy takes you on an amazing journey as she shares her life story and her enviable faith. All throughout, she will make you laugh. She will also make you cry a little. Most importantly, Amy will challenge and inspire you in a way that promises to change your life forever! Amy Brooks is a joyful, exuberant, and faithful Christian whose vision is to glorify Jesus Christ by testifying to the unbeliever of His saving grace and by bringing encouragement to those who already know Him. Her writing honors her adoptive family and their unconditional love for her. Jeff Ferris has more than fifty published articles with various publications and has written a book on evangelism. He is a contributing writer for Pathway Christian Newspaper in Toledo, Ohio where he resides with his wife, Ginny, and their three adult children, sons-in-law, and two grandchildren.
