Brand New Book ***** Print on Demand *****.Words Pressed is a short biography about some of life s issues and dilemmas. It is purposely condensed. That way, it gets straight to the point. Jennifer has had an assorted career competing competitively within the sporting and acting arena from the 1980s - 2004, as well as holding positions within the public sector for many years. Surprisingly, it was her thirteen years experience serving the local church that tested her the most. It has always been on her heart to share some of those experiences with dignity, and at the same time provide support in areas where others may find difficult.
