## Recession-Proof Retirement

By Orr CFP, Mr. Mark J.

CreateSpace Independent Publishing Platform, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In thinking about your own retirement, does it seem more probable to you that your money will outlive you -- or that YOU will outlive your money? In either case, by reading this book we can safely make your savings work much harder for you. This book is a must have for people who are already retired or are within just a few years of their retirement. If this describes you, then please keep reading. However if you are more than 5 years from retirement, please search for his book Stress-Free Retirement Planning on Amazon (paperback or Kindle), which will be more appropriate for your situation. Recession-Proof Retirement shows retirees how to safely increase your interest income, reduce your income taxes and/or predictably increase your security, wealth and legacy. A successful retirement is no longer a slam dunk. With fewer retirees getting sizable pensions, the lingering effects of the great recession of 2008, a decade of stock market volatility and continuing historically low interest rates, managing finances for a long and prosperous retirement can be tricky for all but the very...
