T INTERNET DATING. YEAH RITE!?!?! (PAPERBACK)

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book attempts to capture the memorable and meaningful highlights of the authors journey and that of her friends and her friends friends, who have been and a few who are still in search of their soul mate! This collation of stories based on true male encounters and takes you into what I can only describe as the various corners and crevices of the T internet dating scene!!!! Oh my, it certainly opens eyes!!!! Hold on tight to your surfboard and brace yourself for what I would guess are new experiences and insights which will hopefully guide, or at least give all those food for thought, who are on the T internet dating scene, or indeed are thinking of getting involved! This book may be of interest to those also NOT involved or interested in the T internet dating scene as they are happily married, living with someone or have a long term relationship but under a separate roof!! Why? You may ask! Well, surprisingly or not, I was rather shocked at the number of guys who are on normal and the more dodgy/riske dating websites who admit to being married or have a long term relationship, and still have a need to have a Bit On The Side (BOTS). If I were to put a figure on it, I would best guess that I am talking about 65 overall - no wonder the t internet dating scene seems to have such a tarnished reputation!! There must be a drop-down option when creating a personal profile as quite a few say that their status is unhappily married !!! so go your own ways then!! Or am I being...
