Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Createspace, United States, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.George Washington (February 22, 1732]- December 14, 1799) was the first President of the United States (1789-1797), the Commander-in-Chief of the Continental Army during the American Revolutionary War, and one of the Founding Fathers of the United States. He presided over the convention that drafted the United States Constitution, which replaced the Articles of Confederation and remains the supreme law of the land. Washington was elected president as the unanimous choice of the electors in the elections of both 1788-1789 and 1792. He oversaw the creation of a strong, well-financed national government that maintained neutrality in the wars raging in Europe, suppressed rebellion, and won acceptance among Americans of all types. His leadership style established many forms and rituals of government that have been used since, such as using a cabinet system and delivering an inaugural address. Further, his retirement after two terms and the peaceful transition from his presidency to that of John Adams established a tradition that continues today. Washington was hailed as father of his country even during his lifetime. Washington was born into the provincial gentry of Colonial Virginia; his wealthy planter family owned tobacco plantations and slaves. After both his father and older brother died when he was young, Washington became personally and professionally attached to the powerful William Fairfax, who promoted his career as a surveyor and soldier. Washington quickly became a senior officer in the colonial forces during the first stages of the French and Indian War. Chosen by the Second Continental Congress in 1775 to be commander-in-chief of the Continental Army in the American Revolution, Washington managed to force the British out of Boston in 1776, but was defeated and...
