Tor Books. Paperback. Book Condition: New. Paperback. 736 pages. Dimensions: 9.2in. x 6.0in. x 1.4in. George R. R. Martin, from his Introduction to *Warriors*: People have been telling stories about warriors for as long as they have been telling stories. Since Homer first sang the wrath of Achilles and the ancient Sumerians set down their tales of Gilgamesh, warriors, soldiers, and fighters have fascinated us; they are a part of every culture, every literary tradition, every genre. *All Quiet on the Western Front*, *From Here to Eternity*, and *The Red Badge of Courage* have become part of our literary canon, taught in classrooms all around the country and the world. Our contributors make up an all-star lineup of award-winning and bestselling writers, representing a dozen different publishers and as many genres. We asked each of them for the same thing---a story about a warrior. Some chose to write in the genre they're best known for. Some decided to try something different. You will find warriors of every shape, size, and color in these pages, warriors from every epoch of human history, from yesterday and today and tomorrow, and from worlds that never were. Some of the stories will make you sad, some will make you laugh, and many will keep you on the edge of your seat. Every story in this volume appears here for the first time. Included are: a long novella from the world of his *Song of Ice and Fire* by George R. R. Martin, a new tale of Lord John by Diana Gabaldon, and an epic of humanity at bay by David Weber. Also present are original tales by David Ball, Peter S. Beagle, Lawrence Block, Gardner Dozois, Joe Haldeman, Robin Hobb, Cecelia Holland, Joe R. Lansdale, David Morrell, Naomi Novik, James Rollins, Steven Saylor, Robert Silverberg,...
