Airline Transport Pilot Oral Exam Guide: The Comprehensive Guide to Prepare You for the Faa Checkride (Paperback)

By Michael D. Hayes

Aviation Supplies Academics Inc, United States, 2014. Paperback. Book Condition: New. 3rd Revised edition. 208 x 135 mm. Language: English . Brand New Book. The Federal Aviation Administration (FAA) requires oral as well as written exams for pilot certification and flight review, and this guide teaches applicants not only what to expect on the test, but also how to exhibit subject mastery and confidence while under tough examiner scrutiny. In this test-preparation guide, the most frequently asked questions on the Airline Transport Pilot Oral Exam and their answers are provided along with sources for further study. License applicants who must pass this exam will benefit from the additional materials in this updated edition, including the latest FAA information and procedures that pilots need in order to be current with all FAA regulations. All the subjects an ATP candidate will be tested on during checkrides, career interviews, and aircraft transition rides are covered. Chapters are dedicated to turbine aircraft theory, performance and limitations, airline operational procedures, aeronautical decision making (ADM) and crew resource management (CRM), regulations, and instrument procedures. The book concludes with 2 appendices with the questions and answers candidates can expect on an airline-type checkride concerning aircraft systems and...
