Brand New Book ***** Print on Demand *****.About When Culture Matters: The HSBC ads make it sound so easy - just don't show the soles of your feet in Thailand, and you're half way there. If only communicating effectively across cultures were that simple. As the irresistible force of globalisation meets the immovable object of local cultures, a whole host of pitfalls is lying in wait to trip up the unsuspecting business. Thankfully, Indy Neogy is on hand to guide you through this potential minefield, providing a wealth of practical advice on everything from global brand architecture and international marketing to internal communication with groups and individuals. All this in a book you can read from cover to cover in under an hour - which has got to be good, regardless of your culture's orientation towards time! What CEOs and other busy business people desperately need is high-level strategic insight delivered in quick, simple, easy-to-digest packages. Co-created by Dan Gray and Kevin Keohane, that's exactly what the 55-minute guides are designed to do. Instead of some 300-page pseudo-academic tome, they offer fresh perspectives and must-knows on important topics that can be read from cover to cover in the course of a single morning's commute or a short plane ride. In short, they are the antidote to most business...
