

## Take Charge of Your Aviation Career: A Guide for Aviation Maintenance Professionals (Paperback)

By MR John Williams

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When I entered the aviation industry many years ago. No one sat me down and explained what I was getting myself into from a real world perspective. There was one person I knew was in the industry and he worked nights and was very difficult to connect with. In short, I was clueless. I made grave mistakes and sometimes took real, once-in-a-lifetime opportunities, for granted. I also missed some opportunities because I was not prepared. After you graduate aviation school, you are going to want to have a full picture of your future. If you are currently in the industry and have been for about 5 years, you will still need this information to successfully fine-tune your career. This book will help prepare you for a successful aviation maintenance career. It gives a good insider s perspective of the aviation maintenance industry that most would have to work in the industry to get. It sums up what good mechanics should know about their profession. It will help you avoid the mistakes that I made thereby improve your chances...
