TO SERVE WITH HONOR: DOING THE RIGHT THING IN GOVERNMENT (PAPERBACK)

Loftlands Press, United States, 2015. Paperback. Book Condition: New. annotated edition. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.To Serve with Honor argues that public servants must act ethically and honorably to earn the public s trust - and that no amount of ethics laws will guarantee this. There are 109 pages of federal government ethics laws, yet CIA Director David Petraeus resigned over an affair with his biographer. No law prevented that. The IRS improperly singled out certain groups seeking tax-exempt status for review - and then did its best to explain away what it had done. Again, no law prevented that. Appointment schedulers in the Veterans Health Administration falsified patient wait times under pressure from their own management. Secret Service agents consorted with prostitutes in Cartagena and shared their concerns about agency practices with the press but not their own leaders. Ethics laws and rules can help public servants choose between right and wrong. But rulebooks are not enough. The promise of democracy can be realized only if government workers earn the public s trust by doing the right thing, whether or not there are rules to guide them. This takes skill and moral courage. To Serve with Honor focuses especially on ethics choices between right and right - where no law or regulation is even possible. What do I do when asked to withhold information I think the public should see? How do I deal with a superior whose behavior is destroying morale? How do I balance competing expectations among clients my organization serves? What do I do when pressured to lie? How can I spot ethical problems before they blindside me? As a leader, how can I create a positive ethical culture in my organization? In these - and...
