Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE WAY HOME: MAKING HEAVEN ON EARTH

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Way Home: Making Heaven on Earth, Madis Senner, "The Way Home" educates about our symbiotic relationship with Mother Earth and how our thoughts and actions affect her. It shows how bad thoughts or violent actions can create blockages that disrupt the proper functioning of her subtle body that in the longer term can lead to natural catastrophes and disasters. This book gives a road map for positive change. It tells how we can use the power of our positive thoughts to free ourselves from the snares that we have created. It teaches and provides knowledge that can empower a few to bring about great change. To free ourselves we need to understand how the mystical world works and to turn that which has trapped into freeing us.
