Overseas, posts also are responsible for preparing for crises, including a potential evacuation of staff, dependents, and private American citizens in the country. For example, the posts EAC develops an EAP to prepare for crises; the plan includes trip wires that can be used to determine when to authorize or order the departure of staff and dependents. Each post also prepares an estimate of the number and location of private American citizens present in the country and practices responding to crises that could lead to an evacuation through CMEs and other drills. During a crisis, the ambassador can request that State headquarters approve a departure of post staff and their families and is expected to recommend post evacuations on a timely basis when circumstances Page 11 GAO-08-23 State Department Evacuations This item ships from...
