Reviews

It is one of my personal favorite books. This is certainly for anyone who states there has not been a book worth studying. I found out this ebook from my mom and dad advised this pdf to learn.

ASK THE BEASTS: DARWIN AND THE GOD OF LOVE (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2015. Paperback. Book Condition: New. 216 x 135 mm. Language: English . Brand New Book. For millennia plant and animal species have received little sustained attention as subjects of Christian theology and ethics in their own right. Focused on the human dilemma of sin and redemptive grace, theology has considered the doctrine of creation to be mainly an overture to the main drama of human being s relationship to God. What value does the natural world have within the framework of religious belief? The crisis of biodiversity in our day, when species are going extinct at more than 1,000 times the natural rate, renders this question acutely important. Standard perspectives need to be realigned; theology needs to look out of the window, so to speak as well as in the mirror. Ask the Beasts: Darwin and the God of Love leads to the conclusion that love of the natural world is an intrinsic element of faith in God and that far from being an add-on, ecological care is at the centre of moral life.
