Curious Fox. Paperback. Book Condition: new. BRAND NEW, Fallout, Gwenda Bond, Lois Lane is starting a new life in Metropolis. Lois has lived all over - and seen all kinds of things. (Some of them defy explanation, like the near-disaster she witnessed in Kansas one night.) But now her family is putting down roots in the big city, and Lois is determined to fit in. Stay quiet. Keep out of trouble. As soon as she steps into her new high school, though, she can see it won't be that easy. A group known as the Warheads is making life miserable for another girl at school. They're messing with her mind somehow, via the high-tech immersive videogame they all play. Not cool. Armed with her wit and her new snazzy job as a reporter, Lois has her sights set on solving this mystery. But sometimes it's all a bit much. Thank goodness for her maybe-more-than-a friend, someone she knows only by his screenname, SmallvilleGuy.
