If all you do is study, study, study, without spending time to assess the progress of your studies and how all the studying makes you think and feel about yourself and your future, you will not understand what is happening in your mind. Keeping a bar exam journal can help you gain this understanding. The Bar Exam Mind Bar Exam Journal contains a detailed discussion of why journaling is so helpful and effective while you prepare for the bar exam. Then, the book provides you with a series of journaling exercises for you to complete while you are preparing for the bar exam. These exercises will help you work through any stress or anxiety you are having about the bar exam and enable you to clear your mind to focus on bar exam prep, rather than worries about your bar exam results. *** To learn more about how to prepare for the bar exam, visit .
