I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.It s a very small collection of the 154 plus poems and songs I have written through the years. As the back cover poem says, Lost in moving, most of my poems were lost in the multiple household moves I have made. Much of this collection was actually written in the last few years or as I was publishing this book. However, some are over thirty years old already as I wrote them in high school! Although this is a small collection, it packs a huge message!.
