Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Back for the fourth time, a registration clerk for a small-town hospital in Ohio recounts stories from emergency room happenings. This collection of stories recalls outrageous tales of criminals running from the police, patients arriving in the ER with one foot over the threshold of death's door, stupid ways patients have injured themselves, and a variety of recollections of patients penetrating themselves with household objects. But not every case is funny. Some of the stories recounted are filled with crippling grief, can offer a glimpse of the fear ER workers feel, and detail that sometimes nurses and doctors simply can't win against the power fighting against them. But I Came by Ambulance! is a perfect read for a lazy afternoon, when you're stuck inside due to the weather, or when you're in between caring for the same types of patients described within these pages.
