Times Group Books, New Delhi, 2011. Soft cover. Book Condition: New. Graham, Buffett & Me is a lesson in investing in the stock market. It draws from the teachings and experiences of two gurus ??? Benjamin Graham and his disciple Warren Buffett ??? and applies them in the local context. For this, the author uses the examples of persons close to him who have a considerable presence in the Indian financial markets. Written by 13-year-old Aryaman Dalmia, the book is an exercise in FAQs of the stock market. The author belies his age. According to Deepak S Parekh, Chairman, HDFC Ltd., he "provides investment advice lucidly with the astuteness of a veteran. "But the curiosity of a teenager comes handy in providing clarity. As a result, the book does not get lost in any sort of academic confusion. The book tells you how it helps to go by the book in the stock market. The key is to focus on the long term and not to be governed by the moods of the market. A true investor does not act on impulse. Rather, he goes through the boring details of financial data of the company. If you apply Graham and Buffett, you are to get result as proved by experiences.
