PERSONAL VISION WORKBOOK: DISCOVERING GOD'S VISION FOR YOUR LIFE (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Originally introduced at a local church, the Personal Vision Workbook is all about discovering what God has created you to be and do. As you go through the process, you'll discover that God has been leading you your entire life, preparing you for your personal vision. Since January of 2006, several church members have gone through this workbook. One woman felt called to start working as a child advocate in the local court system. Another woman was able to come to grips with some previous abuse and start reaching out to others. Several people changed ministry positions in the church to be more in line with their calling and spiritual gifts. A couple others decided to start new careers. One family decided to set up a trust fund to enable future generations to get a Christian Education. And one man decided to finally start a (long-encouraged) music ministry. Go through this book in a church class, as part of a small group, in your daily devotionals, over a weekend at an intensive retreat. Your life may never be the same!.
