Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

Brand New Book ***** Print on Demand *****.Excerpt from A Study of the Types of Literature This course in the types of literature has been worked out with senior classes in high school during the past five years, but there are also included here the results of practical class-room experience covering a much longer period of time. For this reason it is impossible to make a separate acknowledgment of indebtedness to each of the large number of authorities and experts in each type that have been consulted at various times, and to whom I owe much by way of information and inspiration. I am, however, deeply grateful to them. In the arrangement of the material of this book, the aim has been to make it clear, compact, and interesting to high school pupils; to stimulate the students own thoughts; to give breadth of view; to make books and reading as attractive as possible; to arouse love for the best things that have been written, not only in the past but in the present time, and to focus the attention on the literature itself rather than on its history. Even though, in this book, the group plan of study is used, an effort is made to lead the pupils to see that literature is a living, growing thing and cannot be bound down by absolute, exact rules; that, instead, it is constantly showing modifications, resulting from the influence of race, time, environment, and individuality of the authors. Since there are, how ever, so many pieces of literature that naturally fall into more or less distinct groups, the classification and definition of them as embodied here is justified. The chronological method of arrangement has been followed....
