

Program of Research on the Economics of Invasive Species Management, Fiscal 2008, Competitive Award Program: Description and Application Process

By -

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Under the Program of Research on the Economics of Invasive Species Management (PREISM), ERS supports and conducts research to improve the economic basis of decisionmaking concerning invasive issues, policies, and programs. Program themes have included international dimensions of invasive species prevention and management; development and application of methods to analyze important invasive species issues, policies, and programs; and analysis of economic, institutional, and behavioral factors affecting decisions to prevent or manage invasive species. This document describes the application process for submitting research proposals to be considered for fiscal 2008 competitive awards. The deadline for submission is April 25, 2008. This item ships from La Vergne, TN. Paperback.

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

-- **Viva Schuster**

Merely no phrases to spell out. I am quite late in start reading this one, but better then never. Your way of life period is going to be enhance once you complete reading this publication.
