Brand New Book ***** Print on Demand *****.If you write about a football game where Minnesota sacked Dan Marino, can a typo cause more than just giggles? It can when mixed with a bank robbery investigation, a stubborn boss, and the Internet. All these combine to cause the arresting of a car for the crime and confused rumors of Viking attacks, among other oddities. As if that s not enough, callers from a shady company, Amalgamated Business Opportunities, find more than just crazy pranks. One of those pranks leads to minions of the mastermind behind both the company and the robbery actually donning Viking gear. Can the San Marinense investigator solve this puzzling situation despite her boss attitude? Does a simple jokester hold the key? And, will people ever run out of jokes concerning the arresting of an automobile?.
