SANE POLITY: A PATTERN LANGUAGE (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.William Ophuls proposes a different way of thinking about governance. Inspired by architecture, he articulates a pattern language of politics-a set of thirty-five design criteria for constructing sane and humane polity. Since ancient times, human beings have asked a fundamental question: What is a good society, and how should it be governed? Plato s response was philosophical. In...

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
-- Dr. Sarai Fisher DDS

The most effective ebook i possibly read. it was actually writtern quite completely and useful. I am just very happy to tell you that here is the best publication we have read through during my individual daily life and could be he greatest publication for possibly.
